REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 26-28, 30, 31, 35-39, 41-43, 45-40 and 52-56 are allowable over the prior art of record because the prior art of record does not teach or fairly suggest sensing the position of the web and changing the position of the guide arms in response to the change in position. In the LINEAR PRODUCTS (Intellibeam System), it appears that the positions of the guide arms are changed in between the runs of the web and not during the run of the web.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emmanuel M Marcelo whose telephone number is 571-272-6949. The examiner can normally be reached on Monday - Wednesday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Katherine Matecki can be reached on 571-272-6951. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
